

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2193 – SB 2573

February 27, 2014

SUMMARY OF BILL: Authorizes a person to display evidence of vehicle registration and financial responsibility in electronic formats through the use of cellular phones and other electronic devices.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Law enforcement officers will have to be notified and trained on proper acceptance of electronically formatted documents. Such notification and training can be accomplished during regular in-service training or meetings. As a result, any additional expenditures are considered not significant.
- This bill could result in additional time for law enforcement officers to verify the validity of vehicle registration information and proof of financial responsibility. Any additional expenditures associated with verification are considered not significant.
- Based on information provided by the Department of Safety and Homeland Security, the Department of Revenue, the Department of Commerce and Insurance, the Municipal Technical Advisory Service, and the Tennessee Association of Police Chiefs, any fiscal impact to state and local government is considered not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
